To Whom it May Concern

I am writing this letter to appeal the closing of the Jordanville New York Post Office. I believe that the Jordanville Post Office is a vital part of our community and by closing it you will affect many people in our community and will force them to travel 5 miles plus in all types of weather to obtain services that cannot be provided by the carrier whom will service our area. It will also require the people of Jordanville to have to pay an additional expense for services (the price of gas) which many communities around the country have due to their post offices staying open. So I am appealing to the commission to not close our post office and to leave it open to serve the people of Jordanville New York and surrounding areas.

Sincerely,

Linda Roberts
